Only be watchful and watch over your soul closely, so you do not forget the things your eyes have seen and they slip from your heart all the days of your life.
Deuteronomy 4:9a (TLV)

Sometimes, we really do need to remind ourselves of all that God has done. Looking back on the last few years I see a lot of challenges, for us personally and for this ministry. It has not been easy.

BUT, having said that, we also see that there was slavery before deliverance, sickness before healing and that great needs always precede great blessings. While we have experienced a lot of needs, we have also experienced a lot of blessings. Most of our blessings have come because the people of God have been faithful. And so we want to say thank you. Thank you for your faithfulness in praying for us and in giving to this ministry. Because of YOUR faithfulness, we have been blessed.

Because of your faithfulness, we have also been able to bless others. As I was preparing our financial reports for this last year I was impressed with just how much you all have given and how many different people we have been able to give to as a result. In just this last year we have been able to help support Izzy Abraham of Holy Language Institute, Ralph and Mindy Seta of Messianic Dance Camps, and Pastor Rashid in the Syrian Refugee Camps in Israel. We have also been able to give some support to a variety of individuals in need through donations to crisis causes like the fires in California, the hurricanes in Florida, and even the warming center right here in Klamath Falls.

Because of your faithfulness, we have been blessed by being able to bring into our community special guests like Sally O'Connor with Improbable People Ministries and the Seta's with Messianic Dance Camps International AND we have hosted public celebrations for all the major festivals.

For being such a small group, we have done a lot!

I am so grateful for all God has done and all He is continuing to do.

As some of you know, we have been renting the building we meet in at a ridiculously low amount. This year we are happily able to increase our payments. And while the church we are renting from has been and continues to be gracious to us, they would really like to sell the building. Please pray with us for God's blessings for them and for the right buyer and timing for all involved. Until then, we will continue with our gatherings and planned celebrations* of the festivals. Please see the enclosed fliers for times and dates! AND please plan ahead so you can JOIN US!!!
